CRDA

CR12 & CR16 DOOR FIT INSTRUCTIONS

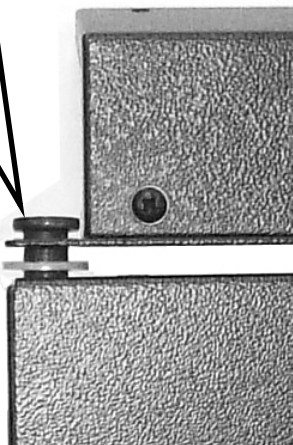

Your Console Rack Door
Mount Adapter kit has:-

CRDA Door Mount Plate
4 - M4 x 12mm screws
4 - M4 x Serrated Nuts

Fit the top door pin
through the adapter
plate, into the washer &
then into the door pivot
hole as shown

Attach the Adapter plate to the
CR rack Cross member as shown
The 2 screws near the front have
to be fitted with the nuts on the
outside, so not to foul the 20mm
spacer
